Nagpur, Maharashtra, India

ABOUT ME

DevOps Engineer with hands-on experience in architecting/ automating and optimizing mission-critical deployments over a large infrastructure. Proficient with Configuration Management tools, Orchestration tools, Containerization. Hands-on experience with cloud computing, Infrastructure as a code, and Scripting.

WORK EXPERIENCE

3Embed Software Technologies Pvt. Ltd.

Appscrip | 2025 - present

DevOps Engineer

- Designed and optimized cloud infrastructure with a strong focus on **cost efficiency**, reliability, and scalability, aligning solutions with client requirements while minimizing operational expenses.
- Provisioned and managed infrastructure using Docker and Kubernetes across **multiple cloud** platforms including AWS, Azure (AKS), GCP, and Hetzner Cloud.
- Established robust **monitoring** and alerting systems to ensure high availability, performance, and quick incident response.
- Architected and deployed scalable infrastructure for diverse applications such as e-commerce platforms, taxi booking systems, dating apps, real-time chat & video call systems, healthcare platforms, social media apps, and AI-based applications.
- Promoted and implemented **self-hosted** solutions to reduce reliance on third-party services and improve cost control and data ownership.
- Troubleshoot** production issues and implement root cause fixes
- Collaborate** with development teams to ensure smooth and reliable releases

Hisanlabs Pvt.L td. | 2024 - 2025

DevOps Engineer

- Used AWS for server setup and infrastructure management
- Deployed and managed applications using Docker and Kubernetes
- Built CI/CD pipelines using GitHub Actions
- Used Terraform for infrastructure provisioning (IaC)
- Automated tasks using shell scripting
- Set up basic monitoring and logging for applications

SKILLS

- Clouds- AWS, Azure, GCP, Hetzner
- Docker, Kubernetes
- github, bitbucket pipelines
- argoCD
- Monitoring- Signoz, grafana
- Terraform, Shells scripting
- git, github, github actions
- linux , ubuntu, debian

CERTIFICATION

- Kubernetes Operators
Advanced certified by IBM
Credential ID:
e0a711bf23394b678c5b5f0618144f19
- AWS Solution Architecture
certified by Forage
Credential ID: 72sqzhC7owXvMSX57
- Oracle Cloud Infrastructure
2025 Certified DevOps
Professional

EDUCATION

- B.E.(Computer Science and Engineering)
GCPA - 9.45/10
- Cloudblitz | Greামীo tech pvt. ltd.
DevOps Intern
(2023-2024)
